

Islam Awareness Week 2006

20-26th November

Highlight the following points in conjunction with the information sheets.

5 things we can do to help save our world

1. Learn – Ignorance is one of the root causes of fear, prejudice and hatred.
2. Talk – Dialogue, not violence.
3. Respect – Being considerate to others and having common decency.
4. Be kind – Acts of kindness make a difference, no matter how small.
5. Unite – We need to work together to make the world a better place.

5 things we can do to help save our planet

1. Understand – The scale of the problem and our responsibility.
2. Conserve – Why do we have a ‘throwaway’ culture.
3. Consume wisely – Be an intelligent customer. Change business.
4. Recycle – It makes sense to keep rubbish away from our landfill sites.
5. Campaign – Tell others what you know and join others to voice concerns.

Things to discuss

- What are you doing for the environment?
- Why do you think religion talks about the unity of people?
- How much do you actually know about the major religions of today?
- Where do you learn about religion – do you think the sources you learn from are biased or fair?
- Why do you treat certain people in different manners? What dictates how you choose to treat people?
