

Young Muslims UK

- YMUK, Young Muslims UK was established around 1984 by a group of devoted young Muslim brothers. Since then it has become two parts, YMB and YMS which operate under ISB, Islamic Society of Britain. There are branches all across the UK, Glasgow, Manchester, Birmingham, Luton, Peterborough and two in London.
- The aim of YM is to spread Islam (Da'wah) to the people of the west through British Muslims, and in order for this to happen YM works towards educating the Muslim youth through talks, events, camps, dinners etc. The Muslim youth are the key to the future of Islam and YM acts as a vehicle for the Muslim youth by giving them a voice to society an opportunity to be part of something that is fun and at the same time Islamic.
- We do lots of outdoor activities, e.g. Abseiling, canoeing, rock climbing, traversing and many other things.
- We have annual summer camps for each branch and there is a huge bi-annual camp (Living Islam), last year with over 4,000 attendees. We also work on organising other events during the year, for example the football tournament this year which we are organising with the FA.
- YM is backing our Islamic Society and we are working on helping other schools have the same privileges as we do. The AMA study circle is also backed by YM.
- As a member you will become part of a large community of Muslim youth, striving together for the common cause of Allah's (SWT) reward.
- You will receive a regular bulletin which gives you the chance to learn about what the other branches are doing and to give you further ideas for future projects.
- You will be given an opportunity to take part in, and eventually organise, events. You will learn more about Islam and the importance of Islam to the youth. You will also get the chance to develop not only your literacy and vocal skills but also other useful skills through outdoor activities etc.

You will be able to make new friends and contacts across the UK, and even meet people from across the globe.
